The offender has not complied with the following condition(s) of supervision:

- 1 **Mandatory Condition #4:** The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as directed by the probation officer.

Supporting Evidence: On March 1, 2006, Robert Collier submitted a urine specimen at Second Chance Testing Center. Said specimen was confirmed positive for cocaine at Scientific Testing Laboratories on March 9, 2006.

U.S. Probation Officer Action:

On March 13, 2006, the undersigned officer confronted the defendant regarding his urine specimen submitted on March 1, 2006. Mr. Collier denied consuming cocaine, and could not explain why his specimen was confirmed positive for said substance.

Per review of the defendant's substance abuse history and record of urine specimens submitted through the U.S. Probation Office, this appears to be an isolated event. Mr. Collier remains subject to weekly random urinalysis submission. There have not been any additional positive urinalysis tests submitted by Mr. Collier since March 1, 2006.
